COUNTY CONVENTION.

The Democratic Convention of Du Bois county will be held in Jasper on

SATURDAY, JULY 17th, for the purpose of nominating candidates for the various county offices to be filled this Fall, and appointing delegates to the Congressional Convention at Princeton, on the 22d inst.

Job Printing.

We are prepared to give prompt attention to all kinds of Job or Book printing. Any description of blanks, receipts, bill heads, store, stallion or jack bills can be forthcoming on the shortest notice, in the most approved style, and on reasonable terms.

To Contributors.

As our design is to make our paper one that will be of interest to all engaged in the different departments of active industry in every part of the county, we respectfully solicit the co-operation of our intelligent citizens throughout its limits. And being especially desirous of promoting the farming interests of Dubois, items in any department of agriculture are particularly solicited. Please send us all the news, incidents, general information, and mineral discoveries in your respective neighborhoods.

GRATIS NOTICES.—We publish notices of marriages, deaths, &c., gratis, and would like to record all which occur in the county. Ministers, or others, who officiate on such occasions, will confer a favor by sending us a notice immediately.

PERRY COUNTY.—The Democracy of Perry County have nominated Hamilton Smith, Esq., as a candidate for Representative. Mr. S is a gentleman of a high order of intellect, of great and general information on all subjects of political economy, and as a member of the Legislature will unquestionably take a very high rank. We are glad to see such men willing to take upon themselves the responsibilities of legislators.

CONGRESSIONAL CONVENTION.—FOURTH DISTRICT.—The Democratic Congressional Convention for the Fourth District, held at Greensburg, on Tuesday last, nominated Hon. Wm. S. Holman of Dearborn County, for Congress. Mr. Holman was nominated on the first ballot, by a vote of 118 to 47 for D. D. Jones of Franklin, and 44 for Dr. Mullen of Ripley. This strong feeling in favor of Holman is mainly attributable to the opposition of John L. Robinson, against his nomination.—National Democrat.

FOURTH DISTRICT.—The telegraph advises us that the Democratic Convention of the Fourth District (Gen. Foley's) yesterday nominated Hon. Wm. S. Holman as a candidate for Congress. This is a good nomination and one which will bring victory to the Democratic standard in that district. Judge Holman, like the great majority of the Democrats of his District, was anti-Lecompton, and is now a supporter of the English Bill. He is a good speaker and is a strong man personally.—Ledger.

CONGRESSIONAL NOMINATIONS.—The Republicans of the 9th District have nominated Schuyler Colfax for re-election to Congress. The Democrats of the Eleventh District have nominated J. R. Coffroth, of Huntington, in opposition to Pettit. Coffroth's vote on the nominating ballot was 25 against 24 for Steele. Steele is an anti-Lecompton Democrat.

The city of Vincennes has entered into a contract with a company to establish gas works in that city, and furnish the citizens with light at rates not higher than is charged in other cities of this State. The works are to be completed by the first of March next.

April 2, '58.—J. CONRAD MADER.

Richmond, July 5.

The remains of President Monroe arrived at half past 8 o'clock this morning, and are attracting an immense throng to the wharves. The Military are drawn up on the wharf, and Governor Wise, in company with the Mayor, went on board the steamer Jamestown and were introduced to the guests. The regiment of the New Guard arrived about half past 10 o'clock in the steamer Glencoe, which went over one hundred miles down the river to the steamer Ericsson, that vessel having got aground. The military were received in a speech by George Mumford, which was responded to by Col. Duryea. The remains were taken from the Jamestown by the pall bearers and placed in an open hearse drawn by six horses. At half past 11 o'clock the procession moved to the tunes of the dirges played by the military bands, while the bells of the city were tolled and minute guns fired. During the entire march many flags were displayed at half mast, and many houses were draped in mourning. A shower of rain having fallen the atmosphere was less oppressive and the march more comfortable for the military. The streets were densely thronged with spectators. The procession reached Hollywood cemetery at 1 o'clock; the military forming a circle around the grave, a grand dirge was performed. Gov. Wise delivered an address giving a sketch of the life and services of President Monroe and the circumstances which led to the removal of his remains from New York. He paid a high compliment to the patriotism of the city of New York, as evidenced by the attendance of the National Guards. He concluded with an eloquent appeal in behalf of the Union of the States. After a prayer by Rev. Dr. Reed, of the Presbyterian church, the remains were consigned to the grave amid the firing of cannon. The ceremonies having closed, the National Guards were escorted to the dining hall, where the afternoon was socially spent with the Richmond military. Speeches were made by Mr. Cochrane, Gov. Wise, Col. Duryea and others. The gallant bearing of the National Guards is the subject of universal praise.

MORE TO BE ADMIRER THAN THE RICHEST DIADEM

Worn by Kings or Emperors

WHAT! WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament God himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be curled and straggled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg.

New York, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwylieddyt."
Welsh Newspaper office, 13, Nassau st.,
April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. **CHARLES CARDW.**

New York, July 25, 1857.

Dr. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely. **J. G. KILBY.**

Dr. Wood—Two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). Now it is fully restored to its original color, health and appearance, and I cheerfully recommend it to all. **J. D. HOAS.**

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small; retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3.
